4. No person shall own, keep, possess or harbour any dog over the age of eight weeks unless a valid and subsisting licence for the current licence year has first been obtained for that dog pursuant to this Bylaw.
5. The requirement under section 4 does not apply to a dog that is kept in the Town for a total of less than one month in a calendar year and which is not permitted, suffered or allowed to be at large in the Town.

6. If a dog is required to be licenced pursuant to this Bylaw, the owner of the dog shall apply to the Town for a licence on the form prescribed by the Town for a licence application and shall pay the licence fee set out in Schedule “A” to this Bylaw. Upon receipt of the application and payment of the prescribed fee, the Town shall issue a numbered dog licence and corresponding licence tag for that licence year.

7. Every licence and corresponding licence tag issued by the Town under this Bylaw expires on the 31st day of December in the calendar year in which it was issued, and thereafter ceases to be a valid and subsisting licence.

9. Every licence and corresponding licence tag issued pursuant to this Bylaw is valid only in respect of the dog for which it was issued, as described on the licence application, and is not transferable to another dog unless

(a) the owner of the dog for which the licence and corresponding licence tag have been issued sells or ceases to be the owner of that dog,

(b) the owner acquires a different dog within the same licence year, and

(c) the owner surrenders his or her original licence and corresponding licence tag to the Town and pays the transfer licence fee set out in Schedule “A” to this Bylaw.

10. The owner of a dog for which a valid and subsisting licence and corresponding licence tag have been issued under this Bylaw may obtain a replacement licence tag upon satisfying the Town that the original licence tag has been lost or stolen and upon payment of the replacement licence tag fee set out in Schedule “A” to this Bylaw.

11. Where this Bylaw provides for a reduced annual licence fee for a dog that is neutered or spayed, the owner’s licence application shall be accompanied by a certificate or letter signed by a qualified veterinarian indicating that the dog has been neutered or spayed.
PART FOUR: VICIOUS DOGS

12. An owner of a vicious dog must not:

   (a) permit, suffer or allow the dog to be in any public place or at large unless the dog is muzzled, on a chain or leash not exceeding two (2) meters in length, and under the immediate care and control of a competent person skilled in animal control; or

   (b) keep the dog on premises owned or controlled by such person unless the dog is securely confined either indoors or in an enclosed pen or other structure capable of preventing the entry of any unauthorized person and adequately constructed to prevent the dog from escaping.

PART FIVE: ANIMAL CONTROL REGULATIONS AND PROHIBITIONS

13. An owner or occupier of premises shall not permit, suffer or allow more than two dogs over the age of eight weeks to be kept or harboured on such premises without first having applied for and obtained a business licence for a veterinarian, animal breeder, animal shelter or animal clinic as per Town of Princeton Trades and Business Bylaw No. 555, 1991.

14. No owner of a dog shall permit, suffer or allow the dog to:

   (a) bark or howl excessively where such barking or howling causes or tends to cause annoyance to persons in the neighbourhood or vicinity;

   (b) be at large in the Town; or

   (c) be in a public place unless the dog is kept on a leash, chain or tether not exceeding two (2) meters in length and the dog is under the immediate care and control of a competent person.

15. If an animal defecates on a highway or public place, the person having care, custody or control of the animal shall immediately remove the excrement and dispose of it in a sanitary manner.

16. No person other than the owner of an animal shall remove any form of identification on or affixed to the animal.

17. A person who finds and takes possession of an animal at large in the Town shall immediately notify the Poundkeeper and, upon request, shall release or deliver the animal to the Poundkeeper.
PART SIX: PREVENTION OF CRUELTY TO ANIMALS

18. No person shall keep any animal in the Town unless the animal is provided with:
   (a) clean, potable drinking water and food in sufficient quantity and of a recognized nutritional quality to allow for the animal’s normal growth and the maintenance of the animal’s normal body weight;
   (b) sanitary food and water receptacles;
   (c) the opportunity for periodic exercise sufficient to maintain the animal’s good health;
   (d) necessary veterinarian care when the animal exhibits signs of pain, suffering, or disease; and
   (e) a clean and sanitary shelter of sufficient size to allow the animal to turn about freely and stand, sit and lie in a normal position.

19. An Animal Control Officer may seize any animal suffering from an incurable disease and may destroy the animal upon certification of the animal’s condition by a licenced veterinarian.

25. An Animal Control Officer shall immediately convey any animal seized and liable to impoundment under this Bylaw to the pound.

26. The Poundkeeper shall ensure that all animals seized pursuant to this Bylaw receive sufficient food, water, shelter, and if necessary, reasonable veterinarian care, and that animals are not mistreated while seized or impounded.

27. Where an animal is seized pursuant to this Bylaw, the Poundkeeper shall make reasonable effort to identify and notify the owner of the animal of the fact that the animal has been seized and that the animal will be sold, destroyed or otherwise disposed of by the Poundkeeper after the expiration of seventy-two (72) hours from the date the animal was seized unless the animal is redeemed before that time.

28. Where the owner of an animal that has been seized pursuant to this Bylaw is not known to, and cannot reasonably be identified by, the Poundkeeper, the Poundkeeper shall cause notice of the seizure to be posted on the public notice boards at the pound. Such notice shall set out the particulars of the seized animal, the date of seizure, and shall state that the animal will be sold, destroyed, or otherwise disposed of by the Poundkeeper after the expiration of seventy-two (72) hours from the date of the notice unless the animal is redeemed before that time.

(c) payment of the current licence fee if the animal is required to be licenced pursuant to this Bylaw and is not already licenced.

30. Where an animal that has been seized pursuant to this Bylaw has not been redeemed, the Poundkeeper may, after the expiration of the notice periods established in this Bylaw, offer the animal for sale or adoption.

31. Where the Poundkeeper is unable or considers it undesirable to effect the sale or adoption of an animal that has been seized pursuant to this Bylaw, or where a seized animal has been offered for sale or adoption but has not been sold or adopted, the Poundkeeper shall destroy or otherwise dispose of the animal.
